

SCAMBLER

Music licensing rates (UK)

The royalty-free production music in the unique Scambler production catalogue is available to license based on media category, license type, duration and territory, with a 10% discount for multi-license or multi-country agreements. If you are unable to find a license that fits your particular project please [get in touch](#) to discuss your requirements. Click on a category below to view related rates (VAT is zero rated):
